MEMORANDUM FOR: Director, Intelligence Community Staff  
Executive Secretary

FROM: Director of Central Intelligence

SUBJECT: National Foreign Intelligence Strategy

The attached memorandum will give you my reaction to what I think still needs to be done on the strategy paper which I hope we will be able to discuss in final form in the first days of next year. I think the drafting group has come very close to the mark in the version we now have but I am asking Jay to show you, Al, and also the drafters the notes I made on the present draft and also draw your attention to the specific requirements in the Congressional directorate which we need to address and meet as far as we can.
